

## **VOLUNTEERS NEEDED FOR THE JOY FM PRAYER & CRISIS REFERRAL LINE**

Our ministry is a prayer evangelical ministry of compassion. While we do not go to other countries, we are able to reach the hurting in our city through, prayer and referrals.

Many times our friends, neighbors, and even members of our own church do not feel like they can confide in anyone about their situation. Some just don't know where to turn, while others may be just too embarrassed to share their problems. Our ministry is unique as we can provide anonymity. Some people feel safe and more comfortable with this approach, and they will open up and talk more freely. Not only do we lead people to the Lord through prayer, but we have a large referral list to meet our caller's physical needs too. We then take them one step further by recommending that they begin attending one of our Bible believing, partner Churches near their home, where they can be fed the Word of God on a regular basis.

I know you will love this ministry as many of our volunteers say they get more love than they give because the callers are so appreciative of the time our volunteer took to listen and pray with them.

We're in God's family and praying and ministering to one another is what were all about. The family that prays together stays together. Join our prayer team and minister the love of Jesus together with us.

Thank you, Linda Morrison – Prayer Line Director

Dear Sister Linda, I want to give a report on my father in law's leg. It was operated on and it didn't have to be amputated. I know God solved the problem. Thank you, Myrtis

Dear Hot Line, your staff prayed last month, I didn't have a job. Today I have a consultant position at \$24 per hour. It is week to week. Please pray I get the job permanently. Thank you, Veronica

Dear Prayer line, thank you so much for the prayers. A month ago my job was in jeopardy. It was my fault I did something stupid. I called for prayer and a lady prayed for me. I felt Gods presence and God answered my prayer and I didn't lose my job. I have not stopped praising him for his goodness. Thank you, Love Terri
